

SVHP Annual Meeting

June 9 - 12th, 2024

Nashville, TN

I am writing to you on behalf of the Society of Veterinary Hospital Pharmacists. We are an organization made up of pharmacists working in the veterinary field, primarily at veterinary teaching hospitals in colleges of veterinary medicine. We meet annually to exchange ideas about our practices, review current legislation, learn about new drugs that may affect our profession, and offer continuing education to all pharmacists providing prescriptions for animal patients. We are currently making plans for our annual meeting that will be held June 9th to June 12th, 2024 at the DoubleTree Downtown in Nashville, TN. We would be grateful for your consideration of attendance and financial support at this important meeting.

Attendees of this meeting are professionals involved in the training of new veterinarians, veterinary technicians, pharmacists and pharmacy technicians. Many attendees have impactful participation in veterinary medicine, veterinary pharmacy and veterinary research. This meeting provides your company with a unique opportunity to speak directly with the professionals that manage drug and product formularies in veterinary institutions, and that educate pharmacists on legal compliance and therapeutic principles for providing drugs and compounds to animal patients. We will have space available for you to set up display material to share information interactively with our members about the products and research that your company provides for the veterinary community.

Monday evening there will be a dinner "Monday Mingle" at which our sponsors are invited to dine and mingle with attendees. This dinner provides a great opportunity for interaction between attendees and sponsors. Sponsors are welcome to stay for the entire meeting but are especially encouraged to stay on Monday. You are welcome to attend the educational sessions. If you would like pharmacy continuing education, please register for the meeting through our svhp.org website.

Please let me know what additional information you would need to decide to support us in 2024. I look forward to seeing you at our meeting.

Sincerely,

Tara Marmulak
